

PRESENTATIONS BY THE VIRGINIA SECTION

The Virginia Section gives a number of awards for special achievements.

Here are some of them:

- Distinguished Service Award to a Member of the Section- a plaque and a gift
- Distinguished Service Award to a Teacher - a plaque and a check
- Industrial, Research, or Special Award to a Member of the Section- a plaque
- A Speaker at a Meeting of the Section - an engraved Jefferson Cup
- Chemistry Olympiad Students and Teachers - pins, plaques, gift cards
- A Past Chair of the Section - a lapel pin
- The R. Gerald Bass Award for Exceptional Service - a special plaque
- Outstanding Chemistry Students at Colleges and Universities - certificates and books

The American Chemical Society presents pins and certificates to members based on years of service.
