

# THE VIRGINIA SECTION ACS MENTOR MATCH PROGRAM

## Goals:

The Virginia Section of the ACS is offering a mentoring/mentee matching service in the chemical sciences. Our goal is to (1) increase participation in the chemistry community, (2) increase awareness of the types of jobs available in the chemistry workforce and (3) help students realize their potential. We are looking for mentors to assist sophomore or junior chemistry majors in their understanding of careers in Chemistry and how they may reach their professional goals. Mentors provide a valuable link between the undergraduate student and the professional community.

Explore  
Careers in  
Chemistry by  
cultivating a  
Mentor

How to initiate this  
experience:

Sign up here:

[http://vsu.az1.qualtrics.com/SE/?SID=SV\\_9t55gVr97kA55Pf](http://vsu.az1.qualtrics.com/SE/?SID=SV_9t55gVr97kA55Pf)

We will then send you  
Further instructions once  
you complete the survey.

Examples of  
student questions:

“What is your daily job  
like?”

“What types of positions  
am I qualified for?”

“What experiences can I  
put on my resume?”
