

# Fundraiser in Support of STEM Students: Faith & Science Walking Hand in Hand

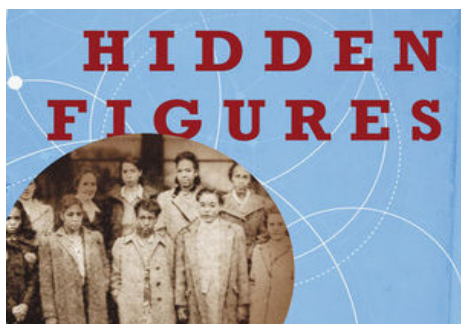

100 Houses of Faith Joined in Supporting  
Economically-disadvantaged and Under-represented Minorities in  
Science, Technology, Engineering & Math (STEM)

## "The American Dream and the Untold Story of the Black Women Mathematicians Who Helped Win the Space Race"

Join us for an evening with Dr. Christine Darden, an aeronautical engineer and one of the NASA "colored" human computers portrayed in the movie *Hidden Figures* (Margot Shetterly).

This event will raise funds to encourage and support low-income and minority students to pursue degrees and careers in STEM.
