

Women Chemists Committee Presents

A Chemistry Career Discussion Panel

The Women Chemists Committee of the Virginia Section is sponsoring a Chemistry Career Discussion Panel for students interested in careers in the chemical sciences.

Speakers representing chemistry careers in academia, industry, government, and the law will share their career stories and answer questions.

All interested students are invited, and light refreshments will be served.

Host Ann Sullivan.

Friday April 9th

12:30 pm

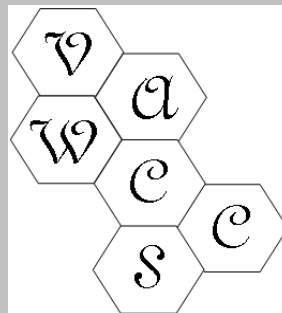

J. Sargeant Reynolds Community College

Parham Road Campus

The Gallery of Georgiadis Hall
